COMPLETENESS OF THE APPLICATION: This application form sets out the information that must be provided by the applicant, as prescribed in the various Ontario Regulations made under the Planning Act. It also sets out other information that will assist the Township and others in their planning evaluation of the proposal. To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may not be possible to do a complete review within the legislated time frame for making a decision. If the requested information, including the plans and fee, is not provided, the Township will return the application or refuse to further consider the application until the information, plans and fee have been provided.

Is there any other information that you think may be useful to the Township of Georgian Bay or other agencies in reviewing this application? If so, please explain below or attach on a separate page

8. PLAN OF SURVEY/SITE PLAN REQUIREMENTS:

DRAWINGS – The applicant shall attach to this application two (2) copies of Plan of Survey/Site Plan coloured coded as follows:

- **RED** – Severed lot(s), unless the severed 'lot' is a right-of-way or easement only
- **GREEN** – Retained lot(s)
- **YELLOW** – Right-of-Ways – all new right-of-ways or easements should be shown in **yellow only**, even if it also represents a severed 'lot'
- **BLUE** – i) In right-of-ways, the lands to which a right-of-way is being granted.
ii) in lot additions, the lands to which the severed or retained lot are being joined.

PLAN OF SURVEY REQUIRED FOR NEW LOT CREATION:

For the creation of new lots, a Plan of Survey prepared, on-site field verified, and certified by an Ontario Land Surveyor must be drawn to scale and IN METRIC showing the following information:

- Legend, scale, north arrow, date, revision date(s), name of person or firm that prepared the plan.
- The boundaries and dimensions of the subject land including the proposed lot area (measured by the total horizontal area within the lot lines of a lot or island above the controlled high water mark for properties with frontage on inland lakes and above the elevation of 177.4 m Canadian Geodetic Datum for properties with frontage on Georgian Bay) and proposed lot frontages.
- The severed lands and all of the abutting retained or other lands owned by the applicant, including dimensions and area of the lots.
- The distance between the grantor's land and the nearest Township lot line (where applicable).
- The location of all previous severances from the subject property.
- The location of all natural and artificial features on the subject lands and adjacent lands that may affect the applications, such as buildings, septic systems, wells, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, slopes, wooded areas, etc.
- The use of adjoining lands (i.e. residential, cottage, commercial, agricultural, etc.).
- The location, width and names of any roads within or abutting the subject lands, indicating whether they are public traveled roads, private roads, right-of-ways or unopened road allowances.
- If access to the subject land is by water only, the location of the parking and boat docking facilities to be used.
- The location and nature of any restrictive covenant or easements affecting the property.
- The location of present or proposed entrances to the severed and retained parcel(s).
- Outline on both the severed and retained lots the potential location(s) for a septic area.
- The size and location of all buildings.
- If access is by water only, the location of the parking and boat docking facilities to be used. Attach a letter from the Marina confirming adequate boat docking and vehicle parking facilities are available.
- All 911 / Municipal addresses are to be shown on the application.

SITE PLAN REQUIRED FOR ALL OTHER APPLICATIONS:

For all other consent applications (i.e. lot additions, easements, right-of-way, etc) a Site Plan drawn to scale and IN METRIC shall be submitted showing the following information:

- Legend, scale, north arrow, date, revision date(s), name of person or firm that prepared the plan;
- The boundaries and dimensions of the subject land.
- The severed lands and all of the abutting retained or other lands owned by the applicant, including dimensions and area of the lots.
- The distance between the grantor's land and the nearest Township lot line (where applicable)

- The location of all previous severances from the subject property.
- The location of all natural and artificial features on the subject lands and adjacent lands that may affect the applications, such as buildings, septic systems, wells, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, slopes, wooded areas, etc.
- The use of adjoining lands (i.e. residential, cottage, commercial, agricultural, etc.).
- The location, width and names of any roads within or abutting the subject lands, indicating whether they are public traveled roads, private roads, right-of-ways or unopened road allowances.
- If access to the subject land is by water only, the location of the parking and boat docking facilities to be used.
- The location and nature of any restrictive covenant or easements affecting the property.
- The location of present or proposed entrances to the severed and retained parcel(s).
- Outline on both the severed and retained lots the potential location(s) for a septic area.
- The size and location of all buildings.
- If access is by water only, the location of the parking and boat docking facilities to be used. Attach a letter from the Marina confirming adequate boat docking and vehicle parking facilities are available.
- All 911 / Municipal addresses are to be shown on the application.

NOTE: When required by the Committee of Adjustment, the Plan required above shall be signed by an Ontario Land Surveyor, but otherwise a hand drawn sketch **to scale** will be acceptable. However, once consent has been granted, a survey will be required in most instances in order for your Solicitor to describe the severed lot in the deed. It is, however, very important that dimensions shown on the sketch and in the application be accurate, since if the final survey differs from the original sketch, you may be required to submit a new application showing the correct dimensions. If you are unable to obtain accurate measurements, you should consider engaging a surveyor to either prepare the sketch, or to make some preliminary calculations for you.

PLEASE READ THE FOLLOWING INFORMATION TO ENSURE YOUR APPLICATION IS COMPLETE BEFORE SUBMITTING IT TO THE TOWNSHIP

INFORMATION TO BE SUBMITTED

Applicants are advised to request a pre-consultation with staff of the Planning Department prior to the submission of the application to gain preliminary planning review and direction. Detailed information of the proposed development, lot characteristics, surrounding land uses and natural features are required at the pre-consultation stage. Pre-consultation can improve application processing times. Delays in processing the application may result if staff determines the application to be incomplete and/or inaccurate.

INFORMATION AND MATERIAL TO BE INCLUDED IN AN APPLICATION FOR CONSENT UNDER SUBSECTION 53 (2) OF THE ACT

1. The name, address, telephone number and, if applicable, the e-mail address of the owner of the subject land, and of the agent if the applicant is the owner's authorized agent.
2. The date of the application.
3. The type and purpose of the proposed transaction (for example, a transfer for the creation of a new lot, a lot addition, an easement, a charge, a lease or a correction of title).
4. If known, the name of the person to whom the land or an interest in the land is to be transferred, charged or leased.
5. A description of the subject land, including such information as the municipality, or the geographic township in unorganized territory, concession and lot numbers, registered plan and lot numbers, reference plan and part numbers, and street names and numbers.
6. Whether there are any easements or restrictive covenants affecting the subject land.
7. If the answer to section 6 is yes, a description of each easement or covenant and its effect.
8. The following information, with respect to the land intended to be severed and the land intended to be retained:
 - (a) the frontage, depth and area, in metric units;
 - (b) the existing and proposed uses of the land;
 - (c) the existing and proposed buildings and structures on the land;
 - (d) whether access to the land will be,
 - (i) by a provincial highway, a municipal road that is maintained all year or seasonally, another public road or a right of way, or
 - (ii) by water;
 - (e) if access to the land will be by water only, the parking and docking facilities to be used and the approximate distance of these facilities from the land and the nearest public road;
 - (f) whether water will be provided by a publicly owned and operated piped water system, a privately owned and operated individual or communal well, a lake or other water body or other means; and
 - (g) whether sewage disposal will be provided by a publicly owned and operated sanitary sewage system, a privately owned and operated individual or communal septic system, a privy or other means.
9. The current designation of the subject land in the applicable official plan.
10. If known,
 - (a) whether the subject land has ever been the subject of an application for approval of a plan of subdivision under section 51 of the Act or a consent under section 53 of the Act; and
 - (b) if the answer to clause (a) is yes, the file number of the application and the status of the application.
11. Whether any land has been severed from the parcel originally acquired by the owner of the subject land.
12. If the answer to section 11 is yes, the date of the transfer, the name of the transferee and the uses of the severed land.
13. If known,
 - (a) whether the subject land is the subject of any other application under the Act, such as an application for an amendment to an official plan, a zoning by-law or a Minister's zoning order, an application for a minor variance or an application for an approval of a plan of subdivision or a consent; and
 - (b) if the answer to clause (a) is yes, the file number of the application and the status of the application.
14. A sketch showing the following, in metric units:
 - (a) the boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land;
 - (b) the approximate distance between the subject land and the nearest township lot line or landmark such as a bridge or railway crossing;
 - (c) the boundaries and dimensions of the subject land, the part that is intended to be severed and the part that is intended to be retained;
 - (d) the location of all land previously severed from the parcel originally acquired by the current owner of the subject land;
 - (e) the approximate location of all natural and artificial features (for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that,
 - (i) are located on the subject land and on land that is adjacent to it, and
 - (ii) in the applicant's opinion, may affect the application;
 - (f) the current uses of land that is adjacent to the subject land (for example, residential, agricultural or commercial);

- (g) the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way;
- (h) if access to the subject land will be by water only, the location of the parking and boat docking facilities to be used; and
- (i) the location and nature of any easement affecting the subject land.

15. Whether the application is consistent with policy statements issued under subsection 3 (1) of the Act.

16. Whether the subject land is within an area of land designated under any provincial plan or plans.

17. If the answer to section 16 is yes, whether the application conforms to or does not conflict with the applicable provincial plan or plans.

18. If the applicant is not the owner of the subject land, the owner's written authorization to the applicant to make the application.

19. An affidavit or sworn declaration by the applicant that the information required under this Schedule and provided by the applicant is accurate.

POSTING NOTICE – After your application is submitted, this office will supply you with an 11” x 17” green sign which must be placed on the severed lot in a clearly visible location. The purpose of this sign is to assist the reporting agencies in locating your property when they conduct a site inspection. This sign is also required as a form of Public Notice under Provincial Regulations. Accordingly, failure to comply with the posting of the sign will mean proper notice was **not** given and any approval given by the Committee of Adjustment under those circumstances can be challenged and it may be necessary to recirculate your application.

APPLICATION FEE – It is required that this application be filed with the Secretary-Treasurer of the Committee of Adjustment and be accompanied by a fee of **\$1,200 (\$400 for each subsequent application)**.

RE-CIRCULATION FEE – If your application needs to be re-circulated there will be a fee of **\$300**.

CONCURRENT MINOR VARIANCE FEE – If your request requires a minor variance, the fee is **\$650** for a concurrent minor variance application.

The applicant shall provide one (1) original application form for each application.

DRAWINGS – The applicant shall attach to this application two (2) copies of Plan of Survey/Site Plan coloured coded as follows:

- **RED** – Severed lot(s), unless the severed 'lot' is a right-of-way or easement only
- **GREEN** – Retained lot(s)
- **YELLOW** – Right-of-Ways – all new right-of-ways or easements should be shown in **yellow only**, even if it also represents a severed 'lot'
- **BLUE** – i) In right-of-ways, the lands to which a right-of-way is being granted.
ii) in lot additions, the lands to which the severed or retained lot are being joined.

PLAN OF SURVEY REQUIRED FOR NEW LOT CREATION:

For the creation of new lots, a Plan of Survey prepared, on-site field verified, and certified by an Ontario Land Surveyor must be drawn to scale and IN METRIC showing the following information:

- Legend, scale, north arrow, date, revision date(s), name of person or firm that prepared the plan.
- The boundaries and dimensions of the subject land including the proposed lot area (measured by the total horizontal area within the lot lines of a lot or island above the controlled high water mark for properties with frontage on inland lakes and above the elevation of 177.4 m Canadian Geodetic Datum for properties with frontage on Georgian Bay) and proposed lot frontages.
- The severed lands and all of the abutting retained or other lands owned by the applicant, including dimensions and area of the lots.
- The distance between the grantor's land and the nearest Township lot line (where applicable).
- The location of all previous severances from the subject property.
- The location of all natural and artificial features on the subject lands and adjacent lands that may affect the applications, such as buildings, septic systems, wells, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, slopes, wooded areas, etc.
- The use of adjoining lands (i.e. residential, cottage, commercial, agricultural, etc.).
- The location, width and names of any roads within or abutting the subject lands, indicating whether they are public traveled roads, private roads, right-of-ways or unopened road allowances.
- If access to the subject land is by water only, the location of the parking and boat docking facilities to be used.
- The location and nature of any restrictive covenant or easements affecting the property.
- The location of present or proposed entrances to the severed and retained parcel(s).
- Outline on both the severed and retained lots the potential location(s) for a septic area.
- The size and location of all buildings.
- If access is by water only, the location of the parking and boat docking facilities to be used. Attach a letter from the Marina confirming adequate boat docking and vehicle parking facilities are available.
- All 911 / Municipal addresses are to be shown on the application.

SITE PLAN REQUIRED FOR ALL OTHER APPLICATIONS:

For all other consent applications (i.e. lot additions, easements, right-of-way, etc.) a Site Plan drawn to scale and IN METRIC shall be submitted showing the following information:

- Legend, scale, north arrow, date, revision date(s), name of person or firm that prepared the plan;
- The boundaries and dimensions of the subject land.
- The severed lands and all of the abutting retained or other lands owned by the applicant, including dimensions and area of the lots.
- The distance between the grantor's land and the nearest Township lot line (where applicable)
- The location of all previous severances from the subject property.
- The location of all natural and artificial features on the subject lands and adjacent lands that may affect the applications, such as buildings, septic systems, wells, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, slopes, wooded areas, etc.
- The use of adjoining lands (i.e. residential, cottage, commercial, agricultural, etc.).
- The location, width and names of any roads within or abutting the subject lands, indicating whether they are public traveled roads, private roads, right-of-ways or unopened road allowances.
- If access to the subject land is by water only, the location of the parking and boat docking facilities to be used.
- The location and nature of any restrictive covenant or easements affecting the property.
- The location of present or proposed entrances to the severed and retained parcel(s).
- Outline on both the severed and retained lots the potential location(s) for a septic area.
- The size and location of all buildings.
- If access is by water only, the location of the parking and boat docking facilities to be used. Attach a letter from the Marina confirming adequate boat docking and vehicle parking facilities are available.
- All 911 / Municipal addresses are to be shown on the application.

NOTE: When required by the Committee of Adjustment, the Plan required above shall be signed by an Ontario Land Surveyor, but otherwise a hand drawn sketch **to scale** will be acceptable. However, once consent has been granted, a survey will be required in most instances in order for your Solicitor to describe the severed lot in the deed. It is, however, very important that dimensions shown on the sketch and in the application be accurate, since if the final survey differs from the original sketch, you may be required to submit a new application showing the correct dimensions. If you are unable to obtain accurate measurements, you should consider engaging a surveyor to either prepare the sketch, or to make some preliminary calculations for you.

THE APPLICANT HEREBY ACKNOWLEDGES AND AGREES

- To reimburse the Municipality for any costs incurred in processing this application which are above and beyond the amount of the application fee.
- If required by the Municipality to pay a deposit in addition to the application fee, prior to the processing of this application to cover anticipated professional and other processing costs beyond normal application requirements.
- To pay all costs, legal and otherwise, that may be incurred by the Municipality with respect to an Ontario Municipal Board Hearing that may be held as a result of this application for a severance.
- To have the lands subject of this application for consent properly posted as required and recognizes that failure to do so may result in a delay in processing this application.
- That this application and all studies submitted in support of this application may be made available for public review, pursuant to the provisions of the Municipal Freedom of Information and Protection of Privacy Act.
- That there may be additional approvals (i.e. rezoning application, minor variance application, building permit, etc.) and additional fees and charges (i.e. building permit fees, parkland dedication fees, development charges, etc.) associated with any development approved in conjunction with this application; and,
- That they may be required to provide additional information that will assist the Township in assessing this application and that the Township may not be able to process the application unless the additional information is submitted.
