- (a) MacTier Arena Facility Condition Assessment
Operations - Parks & Facilities 2025-192

M. Engel presented the MacTier Arena Facility Condition Assessment report to the Committee for a second time; per the assessment there is an estimated investment of over \$5,500,000 in capital costs over the next fifteen (15) years, which averages to \$450,000 per year; these capital costs do not include ongoing operational costs; staff are seeking input from MAAC for recommendations and identifying preferred options, to assist with informed decision-making by Council.

Members and staff discussed the purpose and function of the MacTier Arena in the community, along with the results of the facility condition assessment[]; the following comments and points were discussed:

- Approximate tax increase of 5% to support capital costs of \$350,000 in 2026 and \$600,000 in 2027.
- Grants and funding opportunities are not common for facility renovations/upgrades of this kind.
- Pickleball is a popular program, has high attendance numbers.
- Community room is well used.
- The ice surface is undersized and does not accommodate minor hockey.
- The Skating Club is the largest ice user.

- Per prior recommendations from MAAC, more adult and open skates have been scheduled for the 2025-2026 season.
- An option is to have the arena be a partnership with community - Township maintains and funds capital costs, and all operation staff/volunteers and costs are maintained by the community.
- The \$600,000 capital costs required in 2027 is for the structure of the building, and none of the ice surface or equipment.
- Would an outdoor pavilion ice rink serve the needs of the community.
- Insurance considerations for condition, Township, and any volunteer programs/operations.
- Not possible for fees to be fully cost recoverable.
- Invite the MacTier Community Development Association to attend the next MAAC meeting for comments.
- Current ice resurfacer is 25-years old and in need of replacement.
- Need to balance costs with community needs/use.
- Not sufficient use to benefit advertisers.
- Attract users from neighbouring municipalities.
- Repurpose ice surface for other recreation purposes (ie pickleball, basketball).
- New larger arenas in other municipalities are funded from development charges (DC), Township does not have sufficient development to receive sufficient DC funds.

Subject: Council Resolution – Support for Expansion of School Bus Stop Arm
Camera Systems and Provincial Child Safety Initiatives

Dear Premier Ford,

On behalf of the Council of the Township of Assiginack, I am writing to formally advise you of Resolution No. 171-02-2026, passed at its regular meeting held on February 17, 2026.

Resolution Number 171-02-2026

Moved By Councillor Elliot Seconded By Councillor Maguire

BE IT RESOLVED THAT the Township of Assiginack supports the provinces investment in the expansion of school bus stop arm camera system;

AND FURTHER support the municipality of Parry Sound in its request for the province to provide funding tools and legislative support to complement child safety initiatives across the province.

AND FURTHER, a letter be sent to the Premier of Ontario and all Ontario municipalities.

Carried

Through this resolution, Council expressed its support for the Province of Ontario's investment in the expansion of the school bus stop arm camera system and further endorsed the Municipality of Parry Sound's request for provincial funding tools and legislative support to complement child safety initiatives across Ontario.

Council strongly believes that enhanced enforcement measures, along with supportive legislation and funding supports will significantly contribute to improving student safety and reducing dangerous driving behaviours around school buses. These initiatives are a proactive approach towards protecting children and improving community safety across the province.

We respectfully request your consideration of this resolution and thank you for your continued leadership and commitment to child safety.

Sincerely,

Your correspondence from January 21st, 2026 was received by the Casey Township Council at their regular meeting of February 11th, 2026 and the following resolution was passed:

Resolution 2026-027

WHEREAS the Ontario Municipal Employees Retirement System (OMERS) Pension Fund serves over 1,000 employers and over half a million employees and retirees from diverse groups including: municipal governments, school boards, libraries, police and fire departments, children's aid societies, and electricity distribution companies; and

WHEREAS the long-standing jointly-sponsored governance model with two corporate boards has provided stability, accountability, and fairness for both plan members and employers for more than two decades; and

WHEREAS the Government of Ontario has passed legislative changes to OMERS' governance structure through Bill 68; and

WHEREAS these changes would replace the current OMERS Sponsors Corporation with a new Sponsors Council that would lose its corporate status and independent resources; and

WHEREAS the proposed model could allow pension decisions affecting municipal employers and employees to be made without meaningful municipal oversight, increasing financial risk for municipalities and local taxpayers; and

WHEREAS municipalities are already under significant financial strain and cannot absorb additional pension costs without consequences for property taxes or local services;

THEREFORE BE IT RESOLVED THAT the Township of Casey does not support the legislative changes to the *OMERS Act* contained in Bill 68 and requests that the Government of Ontario reconsider the advisability of proceeding with these changes;

Re: Municipal Support for School Bus Safety and Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the Municipality of Larder Lake, I am writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a serious and widespread issue throughout the province, occurring an estimated 30,000 times per day. These violations place children at unacceptable risk and continue to result in preventable injuries and fatalities. Municipalities require effective, modern enforcement tools to address this dangerous behaviour.

The Municipality of Larder Lake supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the *Highway Traffic Act*. These systems have demonstrated success in deterring illegal passing, improving driver compliance, and strengthening accountability. Provincial funding and implementation support would help ensure municipalities of all sizes can deploy this technology equitably.

We also support the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. This tragedy highlights the urgent need for continued public education, enforcement, and the use of technology to better protect children travelling to and from school.

We respectfully call on the Province of Ontario to provide municipalities with the necessary funding tools, legislative support, and implementation guidance to advance school bus stop-arm camera systems and complementary child-safety initiatives across Ontario.

Protecting children on our roads is a shared responsibility. Through strong provincial leadership and municipal partnership, meaningful progress can be made to prevent further tragedies and enhance road safety for families across Ontario.

Thank you for your attention to this important matter.

Sincerely,

WHEREAS Canada's east-west trade and national mobility rely on the Trans-Canada Highway system, including Highways 17 and 11 across Northern and Eastern Ontario, which carry significant freight volumes but remain predominantly two-lane corridors;

AND WHEREAS to four-lane the entirety of Highway 17 is the ultimate goal of the communities along the corridor;

AND WHEREAS the proven "2+1" highway design, alternating passing lanes with a continuous median barrier, delivers safety outcomes comparable to full twinning at substantially lower cost, land, and environmental impact, and can be scaled or converted to four lanes (2+2) as volumes grow;

AND WHEREAS the Government of Ontario has announced a 2+1 pilot between North Bay and Temagami and a further extension toward Cochrane, creating a near-term implementation pathway;

AND WHEREAS modernizing Highways 17 and 11 will improve safety, reduce closures, strengthen supply-chain reliability for mining, forestry, agriculture, tourism and manufacturing, and enhance national resilience and emergency response capacity;

AND WHEREAS a phased 2+1 build - prioritizing Highway 11 (North Bay -+ Cochrane, then Cochrane -+ Nipigon) and key sections of Highway 17 (western border of County of Renfrew-+ Sudbury; Sault Ste. Marie--+ Sudbury; Thunder Bay--+ Kenora) - aligns with nation building criteria, supports economic reconciliation with indigenous partners, and enables integrated EV charging and low-carbon construction practices;

AND WHEREAS analysis summarized by the Federation of Northern Ontario Municipalities, (FONOM) demonstrates high freight demand on these routes and strong safety / economic rationale for a 2+1 program;

BE IT THEREFORE RESOLVED THAT the Council for the Corporation of the Municipality of Markstay-Warren formally endorses the adoption and phased implementation of a 2+1 highway program on Highways 17 and 11 as a nation-building project;

AND BE IT FURTHER RESOLVED THAT the Government of Canada be urged to designate this initiative as a project of national interest under the Building Canada Act and to partner with Ontario to co-fund and accelerate planning, design, procurement, and construction;

AND BE IT FURTHER RESOLVED THAT the Government of Ontario be urged to expand the announced pilot to a corridor-wide program, sequencing works according to readiness, safety benefit and economic importance;

AND BE IT FURTHER RESOLVED THAT the Government of Ontario prioritize these projects into the Ministry of Transportation's Major Projects Division;

AND BE IT FURTHER RESOLVED THAT both governments ensure early, ongoing, and capacity supported engagement with affected Indigenous Nations, with opportunities for Indigenous training,

contracting, and equity participation;

AND BE IT FURTHER RESOLVED THAT the program incorporate corridor-wide safety features (barrier-separated 2+1 cross-sections, controlled passing frequency, wildlife considerations), resilience measures (closure mitigation, climate adaptation), and clean-growth elements (EV charging readiness, recycled aggregates, lower-carbon materials);

Regular Council Meeting Resolution Form

Date: February 17, 2026 No: RESOLUTION - 56-2026
 Moved by Councillor Kevin Rosien Disposition: CARRIED

Description: Ontario Heritage Organization Development Grant Advocacy

RESOLUTION:

WHEREAS Ontario municipalities are legislated to preserve records of enduring and historical value, and community archives play a critical role in fulfilling this responsibility, particularly in rural and smaller municipalities; and

WHEREAS The Heritage Organization Development Grant (HODG) is the only provincial operating grant available to grassroots, non-profit heritage organizations, including community archives and historical societies across Ontario; and

WHEREAS The maximum annual HODG grant of \$1,545 per organization has remained effectively unchanged for more than 15 years, resulting in a significant erosion of its real value due to inflation, such that its current purchasing power is approximately two-thirds of what it was in 2010; and

WHEREAS Rising operating costs related to insurance, utilities, records preservation, digitization, accessibility, and volunteer coordination have increased financial pressure on heritage organizations, often requiring municipalities to absorb additional costs to ensure continuity of service; and

WHEREAS Strengthening HODG would represent a modest but high-impact provincial investment that would help stabilize community archives, reduce pressure on municipal budgets, and safeguard Ontario's public records and local heritage for future generations;

NOW THEREFORE BE IT RESOLVED THAT Council formally support a review and modernization of the Heritage Organization Development Grant, including restoring its real purchasing power through inflationary adjustment and exploring options for increased or multi-year operating stability; and

BE IT FURTHER RESOLVED THAT This resolution be forwarded to the Minister of Tourism, Culture and Gaming, local Members of Provincial Parliament, AMO, and Ontario municipalities for consideration and support.

Resolution # 7

Date: Monday February 23, 2026

Moved by: Michael Madden

Seconded by: Carma Williams

WHEREAS the Township of North Glengarry acknowledges that municipal infrastructure—including roads, bridges, and water and wastewater systems—underpins public safety, economic vitality, and quality of life in Ontario’s rural and small urban communities; and

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities; and

WHEREAS in 2022, the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026; and

WHEREAS fixed funding levels amid rising labour, materials, and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities’ ability to deliver and sustain essential services without incurring unsustainable debt; and

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance, and execute long-term asset management plans, reduce emergency repairs, and leverage complementary federal and private infrastructure financing; and

WHEREAS the Township of North Glengarry requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability, and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT:

1. The Township of North Glengarry calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data, demographic projections, climate resilience metrics, and rural equity considerations.

5. A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs, or project overruns without reallocating core funding.
 6. The Ministry of Infrastructure publish an annual OCIF performance report—including program disbursements, allocation adjustments, and reserve expenditures—in a transparent, publicly accessible online dashboard.

FURTHER THAT the Council of the Township of North Glengarry supports the September 29, 2025 resolution of the Township of Edwardsburgh Cardinal, the October 20, 2025 resolution of the Municipality of South Huron, and the November 19, 2025 resolution of the Township of Pulsinch regarding the Ontario Community Infrastructure Fund (OCIF); and

Please be advised that at its Regular Council meeting held on Monday, September 29, 2025, the Council of the Township of Edwardsburgh Cardinal unanimously adopted the following resolution:

RESOLUTION: Ontario Community Infrastructure Fund (OCIF)

WHEREAS the Township of Edwardsburgh Cardinal acknowledges that municipal infrastructure—roads, bridges, water and wastewater systems—underpins public safety, economic vitality and quality of life in Ontario’s rural and small urban communities;

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities;

WHEREAS in 2022 the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026;

WHEREAS fixed funding levels amid rising labour, materials and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities' ability to deliver and sustain essential services without incurring unsustainable debt;

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance and execute long-term asset management plans, reduce emergency repairs and leverage complementary federal and private infrastructure financing;

WHEREAS the Township of Edwardsburgh Cardinal requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT

1. The Township of Edwardsburgh Cardinal calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data, demographic projections, climate resilience metrics and rural equity considerations.
5. A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs or project overruns without reallocating core funding.

6. The Ministry of Infrastructure publish an annual OCIF performance report—including program disbursements, allocation adjustments and reserve expenditures—in a transparent, publicly accessible online dashboard.

7. The Clerk of the Township of Edwardsburgh Cardinal forward this resolution to:
 - o The Honourable Doug Ford, Premier of Ontario
 - o The Honourable Kinga Surma, Minister of Infrastructure
 - o The Honourable Rob Flack, Minister of Municipal Affairs and Housing
 - o The Honourable Francois-Phillipe Champagne, Minister of Finance

Dear Honorable Mark Carney:

Please be advised that Brantford City Council, at its meeting held December 16, 2025 adopted the following:

12.2.7 Call for Reform and Publication of the Ontario Sex Offender Registry - Councillor Samwell

WHEREAS the community of Welland and the surrounding communities were deeply impacted by a recent heinous crime that highlighted critical gaps in Canada's criminal justice and offender-management systems; and

WHEREAS on September 4, 2025, Mayor Frank Campion of the City of Welland wrote to the Premier of Ontario urging comprehensive reform to strengthen sentencing, parole, and bail provisions for violent sexual offenders, and to enhance public safety protections; and

WHEREAS on September 12, 2025, Mayor Mat Siscoe of the City of St. Catharines wrote to the Prime Minister of Canada expressing strong support for these reforms and calling for immediate federal action to strengthen sentencing, parole, and accountability measures for violent sexual offenders; and

WHEREAS the City of Thorold, at its meeting of September 9, 2025, adopted Resolution 14.2 requesting the Province of Ontario to amend Christopher's Law (Sexual Offenders Registry), 2000 to make Ontario Sex Offender Registry publicly accessible; and

WHEREAS several Niagara municipalities; including Grimsby, Fort Erie, Port Colborne, and St. Catherines have subsequently endorsed this call for greater transparency and reform; and

WHEREAS municipal councils, though not responsible for criminal law or parole, play a vital role in advocating for the safety and well-being of their residents;

NOW THEREFORE BE IT RESOLVED THAT:

- A. THAT the Council of the City of Brantford hereby supports the City of Thorold's Resolution calling for the Publication of the Sexual Offender Registry and the City of Welland's correspondence dated September 4, 2025, calling for reform to sentencing, parole, and registry provisions concerning violent sexual offenders; and
- B. THAT the Province of Ontario be urged to amend Christopher's Law (Sexual Offender Registry), 2000 to make the Ontario Sex Offender

Registry publicly accessible, subject to appropriate privacy and safety safeguards; and

C. THAT a copy of this resolution be forwarded to:

Re: Municipal Support for School Bus Safety and Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the Township of Perry, I am writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a serious and widespread issue throughout the province, occurring an estimated 30,000 times per day. These violations place children at unacceptable risk and continue to result in preventable injuries and fatalities. Municipalities require effective, modern enforcement tools to address this dangerous behaviour.

The Town of Parry Sound supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the *Highway Traffic Act*. These systems have demonstrated success in deterring illegal passing, improving driver compliance, and strengthening accountability. Provincial funding and implementation support would help ensure municipalities of all sizes can deploy this technology equitably.

We also support the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. This tragedy highlights the urgent need for continued public education, enforcement, and the use of technology to better protect children travelling to and from school.

Whereas public libraries play a vital role in ensuring equitable access to information, literacy, education, and culture for all residents;

And whereas interlibrary loan services are an essential component of public library operations, particularly for small and rural communities with limited local collections;

And whereas reduced postal rates for library materials have historically enabled libraries to share resources efficiently and affordably across Canada;

And whereas recent amendments to the Canada Post Corporation Act have removed the legislative requirement to provide reduced postal rates for library materials, creating uncertainty for the continued delivery of this essential service;

Now therefore be it resolved that the Council of the Corporation of the Township of Perry calls upon the Government of Canada to maintain and protect reduced-rate postal distribution for library materials through legislation;

And that Council requests that the Minister responsible for Canada Post ensure continued, affordable postal access for libraries and interlibrary loan services;

And that a copy of this resolution be forwarded to The Honourable Joel Lightbound, Minister of Government Transformation, Public Works and Procurement, Scott Aitchison, MP Parry Sound-Muskoka, Hon. Graydon Smith, MPP Parry Sound-Muskoka, and all Ontario municipalities for support.

Dear Municipality of North Perth,

RE: Removal of HST and GST From New Homes

Please be advised that at the February 5, 2026 Regular Meeting of Perth County Council, Council members supported the Municipality of North Perth's position regarding the removal of HST/GST from new home purchases.

"THAT Council sends a letter of support to the Municipality of North Perth, Prime Minister of Canada, Minister of Finance, Minister of Housing, Infrastructure and Communities, the Premier of Ontario, the Ontario Minister of Finance, the Ontario Minister of Municipal Affairs and Housing, MP John Nater, MPP Matthew Rae, AMO, and all municipalities in Ontario regarding the removal of HST and GST from new homes".

Perth County Council believes that housing affordability must continue to be supported across the Province of Ontario through diverse measures. The removal of HST/GST from the sale of new homes (primary residence purchases only) is one way that the Province could support housing affordability across all municipalities. Housing supply and affordability is tied to a number of areas that help municipalities to thrive including economic development, tourism, social services, and more.

Should you require any additional information or wish other consideration by Council in this matter, kindly advise.

Dear Prime Minister

Re: Support for the City of Welland's Call to Action for Justice and Protection of Canada's Children

At their Regular Meeting of Council on January 15, 2026, the Council of the Town of Aylmer endorsed the following resolution:

Whereas the Town of Aylmer supports the City of Welland's call to action for justice and protection of Canada's children; and,

Whereas the safety and well-being of children is a fundamental responsibility shared by all levels of government; and,

Whereas recent incidents involving sexual offences against children have deeply affected communities across Ontario and Canada, raising serious concerns about public safety and the adequacy of existing legislative protections; and,

Whereas violent sexual crimes against children represent some of the most serious offences under the Criminal Code of Canada and have lifelong impacts on victims, families, and communities; and,

Whereas municipalities play a critical role in advocating for policies that protect residents and promote safe communities; and,

Whereas there is a growing concern that gaps in bail, sentencing, parole eligibility, and offender monitoring allow high-risk individuals to re-enter communities pre-maturely, placing children at continued risk;

Now therefore be it resolved that the Council of the Town of Aylmer formally urges all levels of government to review and strengthen legislation and policies related to violent and sexual offences against children, including but not limited to:

1. **Bail and Sentencing Provisions** - ensuring that individuals charged with or convicted of violent sexual offences against children are subject to the strictest possible bail conditions and sentencing outcomes that reflect the severity of these crimes;
2. **Parole and Early Release** - limiting parole eligibility, statutory release, or other forms of early release for offenders convicted of sexual offences against children who pose ongoing risks to public safety;
3. **Sex Offender Monitoring** - strengthening the National Sex Offender Registry and related provincial tools to improve accuracy, enforcement, and timely access to information for law enforcement; and
4. **Victim and Community Safety** - prioritizing the protection of children and community safety within the justice system above administrative or procedural efficiencies;

And be it further resolved that copies of this resolution be forwarded to:

The Premier of Ontario
The Attorney General of Ontario
The Solicitor General of Ontario
The Prime Minister of Canada
The Minister of Justice and Attorney General of Canada
Member of Provincial Parliament, Rob Flack
Member of Parliament, Andrew Lawton
The Federation of Canadian Municipalities (FCM) and;
All 444 Ontario Municipalities

And be it further resolved that Council encourages municipalities to adopt similar resolutions to work collaboratively to present a unified municipal voice advocating for stronger protections for children across Canada.

Yours sincerely,

Subject: A Call to Action: Standing Together for Justice and the Protection of Canada's Children

Dear Fellow Mayors,

I write to you today not only as the Mayor of Welland, but as a member of a community that has been deeply shaken by an unthinkable act in August 2025: the brutal sexual assault of a three-year-old child. This tragedy has horrified our residents, leaving families in grief and disbelief, and compelling us as leaders to confront the uncomfortable truth that our justice system is failing to adequately protect our most vulnerable.

While no policy can erase the trauma this child and their family will endure, we have a moral obligation to act. This moment demands leadership from all of us, to raise our collective voices and ensure that meaningful reform takes place.

I urge you to join me in calling on provincial and federal governments to take immediate and decisive action by advancing the following measures:

- The full and expedited implementation of recent federal bail and sentencing reforms, so that new provisions designed to protect the public—particularly victims of violent sexual crimes—are applied swiftly and consistently across all jurisdictions.
- Strengthening bail and sentencing provisions so that individuals charged with, or convicted of, violent sexual crimes face the strictest possible conditions, including limits on early release in cases of extreme brutality.
- That parole eligibility for sexual offences against children reflects the full gravity of these crimes, limiting conditional or early release for offenders who pose ongoing risks to community safety.
- Strengthening the National Sex Offender Registry, providing communities and police with timely, accurate information and effective tools to safeguard residents.

Canadians must be able to trust that our justice system prioritizes public safety—especially the safety of children—above all else. Communities like ours cannot bear the weight of knowing that legislative gaps may allow dangerous offenders to harm again.

I am calling on you, my colleagues in municipalities across Canada, to:

1. Pass council resolutions urging your respective provincial governments to review and strengthen laws protecting children from violent offenders.
2. Collaborate through FCM and provincial municipal associations to bring a united municipal voice to Ottawa and all legislatures across the country, advocating for the timely implementation and continued enhancement of justice reforms.
3. Engage your local MPs, MPPs/MLAs, and their governments to advocate for continued legislative and judicial reform.

4. Support awareness and prevention efforts within your communities to reinforce the safety and well-being of every child.

Together, we can create a wave of leadership that demands justice and refuses complacency. The protection of children transcends politics and geography; it is a shared duty that defines who we are as a nation.

Thank you for standing with us in this urgent cause. I would welcome the opportunity to coordinate efforts with you and your councils to move this national call forward.

With respect and solidarity,

Frank Campion

TOWNSHIP OF EDWARDSBURGH/CARDINAL

Resolution Number 2025-253

September 29, 2025

Moved By: _____

Seconded By: _____

WHEREAS the Township of Edwardsburgh Cardinal acknowledges that municipal infrastructure—roads, bridges, water and wastewater systems—underpins public safety, economic vitality and quality of life in Ontario’s rural and small urban communities;

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities;

WHEREAS in 2022 the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026;

WHEREAS fixed funding levels amid rising labour, materials and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities’ ability to deliver and sustain essential services without incurring unsustainable debt;

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance and execute long-term asset management plans, reduce emergency repairs and leverage complementary federal and private infrastructure financing;

WHEREAS the Township of Edwardsburgh Cardinal requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT

1. The Township of Edwardsburgh Cardinal calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data,

demographic projections, climate resilience metrics and rural equity considerations.

5. A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs or project overruns without reallocating core funding.
6. The Ministry of Infrastructure publish an annual OCIF performance report—including program disbursements, allocation adjustments and reserve expenditures—in a transparent, publicly accessible online dashboard.
