**Management's Responsibility for the Consolidated Financial Statements**

The management of the Corporation of the Township of Georgian Bay (the "Municipality") is responsible for the integrity, objectivity and accuracy of the financial information presented in the accompanying financial statements.

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada ("CPA"). A summary of the significant accounting policies is described in Note 1 to the consolidated financial statements.

The Municipality's management maintains a system of internal controls designed to provide a reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Council meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the approval of the consolidated financial statements.

The consolidated financial statements have been audited by Pahapill and Associates Professional Corporation, independent external auditors appointed by the Municipality. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Municipality's consolidated financial statements.

## INDEPENDENT AUDITORS' REPORT

---

To the Members of Council, Inhabitants and Ratepayers of  
The Corporation of the Township of Georgian Bay

### *Opinion*

We have audited the consolidated financial statements of The Corporation of the Township of Georgian Bay, which comprise the consolidated statement of financial position as at December 31, 2024, and the consolidated statements of operations and accumulated surplus, the consolidated statement of remeasurement gains and losses, the consolidated change in its net financial assets (debt) and its consolidated cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of The Corporation of the Township of Georgian Bay as at December 31, 2024, and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Emphasis of Matter*

We draw attention to Note 2 in the financial statements, which describes the effects of Canadian public sector accounting standards adopted by the Municipality. Our opinion is not modified in respect of this matter.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

### *Auditor's Responsibility for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with Canadian generally accepted auditing

standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Municipality to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

---

The Corporation of the Township of Georgian Bay is a lower tier municipality in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, 2001, Planning Act, Building Code Act and other related legislation.

**1. SIGNIFICANT ACCOUNTING POLICIES**

The consolidated financial statements of the Corporation of the Township of Georgian Bay (the "Municipality") are the responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards for local governments as recommended in the Public Sector Accounting Board "PSAB" of the Chartered Professional Accountants Canada. Significant aspects of the accounting policies adopted by the Municipality are as follows:

**(a) Reporting Entity**

The reporting entity includes the Municipality and all entities that are controlled by the Municipality.

All controlled entities are consolidated in the Municipality's consolidated financial statements according to the Municipality's percentage ownership except for entities that meet the definition of a government business enterprise or a government business partnership, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation. The reporting entity is comprised of all committees of Council and the boards, joint boards and municipal enterprises for which Council is politically accountable as follows:

**(i) Consolidated entities**

The following local boards are consolidated:

Georgian Bay Library Board - 100%

**(ii) Accounting for school board and the District Municipality of Muskoka transactions**

The Municipality collects taxation revenue on behalf of the School Boards and the District Municipality of Muskoka. The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards and the District Municipality of Muskoka are not reflected in these consolidated financial statements.

**(iii) Trust funds**

Trust funds administered by the Municipality are not included in these consolidated financial statements, but are reported separately on the trust funds financial statements.

**(b) Basis of Accounting****(i) Accrual basis of accounting**

Sources of financing and expenditures are reported on the accrual basis of accounting. This method recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**(ii) Non-financial assets**

Non-financial assets are not available to discharge existing liabilities but are held for use in the provision of Municipal services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated change in net financial assets for the year.

(a) Tangible capital assets

Tangible capital assets are recorded at cost less accumulated amortization. Costs include all amounts directly attributable to acquisition, construction, development or betterment of the asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at their fair value at the date of receipt. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives, commencing once the asset is available for productive use as follows:

Site improvements - 10 to 25 years  
Buildings - 20 to 40 years  
Transportation infrastructure - 3 to 25 years  
Vehicles - 7 to 20 years  
Machinery, equipment and furniture - 4 to 25 years

Assets under construction are not amortized until the asset is available for productive use.

(b) Impairment of long-lived assets

When conditions indicate a tangible capital asset no longer contributes to the Municipality's ability to provide services, or that the value of future economic benefit associated with the tangible capital asset is less than its net book value, the cost of the tangible capital asset will be reduced to reflect the decline in the asset's value.

(c) Inventories held for consumption

Inventories of supplies held for consumption are recorded at the lower of average cost and net realizable value.

(iii) Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, bank balances, temporary borrowings and temporary investments in money market instruments with maturities of three months or less.

(iv) Portfolio investments

Portfolio investments consists of equity instruments with no maturity. Portfolio investments in equity instruments that are quoted in an active market are recorded at fair value and the associated transaction costs are expensed upon initial recognition. The change in fair value is recognized in the Statement of Remeasurement Gains and Losses as a remeasurement gain or loss until the portfolio investments are realized on disposal. Upon disposal, any accumulated remeasurement gains or losses associated with the portfolio investments are reclassified to the Statement of Operations.

(v) Reserves and reserve funds

Certain amounts, as approved by Council, are set aside in reserves and reserve funds for future operating and capital purposes. Balances related to these funds are included in the accumulated surplus of the Consolidated Statement of Financial Position.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

---

(vi) Government transfers

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

(vii) Deferred revenue

The Municipality receives Canada Community-Building fund (formerly gas tax) revenue from the Federal Government and payments in lieu of parkland under the authority of provincial legislation and Municipal by-laws. These funds are restricted in their use and until applied to the applicable expenditures are recorded as deferred revenue. Amounts applied to qualifying expenditures are recorded as revenue in the fiscal period they are expended. The Municipality also defers recognition of certain government grants which have been collected but for which the related expenditures have yet to be incurred. These amounts will be recognized as revenues in the fiscal year the services are performed.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized as revenue when used for the purpose specified.

(viii) Taxation and related revenues

Property tax billings are prepared by the Municipality based on assessment rolls issued by the Municipal Property Assessment Corporation ("MPAC"). Tax rates are established annually by Council, incorporating amounts to be raised for local services and amounts the Municipality is required to collect on behalf of the Province of Ontario in respect of education taxes. A normal part of the assessment process is the issue of supplementary assessment rolls which provide updated information with respect to changes in property assessment. Once a supplementary assessment roll is received, the Municipality determines the taxes applicable and renders supplementary tax billings. Taxation revenues are recorded at the time tax billings are issued. Assessments and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the result of the appeal process is known.

The Municipality is entitled to collect interest and penalties on overdue taxes. These revenues are recorded in the period the interest and penalties are levied. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.

(ix) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Revenue related to fees or services received in advance of the fee being earned or when the service is performed is deferred and recognized when the fee is earned or the service is performed.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

---

(x) Post retirement benefits

The Municipality is an employer member of the Ontario Municipal Employee Retirement System (OMERS), a multi-employer public sector pension fund, as a defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The Municipality has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles.

The Municipality also provides certain extended health benefits to qualifying employees through an insurance provider which invoices the Municipality for the cost of the plan. The cost is recognized based on management's best estimate of the future premiums associated with these benefits.

(xi) Use of estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant items subject to such estimates and assumptions include valuation allowances for taxes, trade and other receivables, the estimated useful life of tangible capital assets, accrued liabilities and taxation revenue related to supplementary taxes. Actual results could differ from management's best estimates as additional information becomes available in the future. The estimates are reviewed periodically and any resulting adjustments are reported in earnings in the year in which they become known.

## 2. CHANGE IN ACCOUNTING POLICIES

On January 1, 2024 the Municipality adopted the following Public Accounting Standards. PS 3400 Revenues which provide guidance for the recognition, measurement, presentation and disclosure of revenue from transactions with performance obligations, referred to as exchange transactions, and transactions without performance obligations, referred to as non-exchange transactions. Public Sector Guideline PSG 8 Purchased Intangibles which provides guidance on the accounting and reporting of purchased intangible assets acquired through non-arm's length exchange transactions between knowledgeable, willing parties under no compulsion to act. PS 3160 Public Private Partnerships which provides guidance on accounting and reporting for public private partnerships between public and private sector entities. The standards were adopted prospectively from the date of adoption with no restatement of prior period comparative amounts. Other than PS 3400 Revenues changes below, these standards have no significant impact on the presentation of the financial statements.

### PS 3400 Revenues

Under PS 3400, revenue is deferred when a performance obligation exists at year end and is recognized as revenue when the performance obligation is satisfied.

In accordance with the provisions of this new standard, as at December 31, 2024, \$156,059 of current year building permit revenues have been included in deferred revenues as the performance obligation has not yet been met. Prior to January 1, 2024, this amount would have been recorded as revenue in the current year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

3. OPERATIONS OF SCHOOL BOARDS AND THE DISTRICT MUNICIPALITY OF MUSKOKA

Further to Note 1(a)(ii), the Municipality is required to collect property taxes and payments-in-lieu of taxes on the behalf of the school boards and the District Municipality of Muskoka. The amounts collected, remitted and outstanding are as follows:

	2024 School Boards	2024 District	2024 Total	2023 Total
Payable at the beginning of the year	\$ 1,248	\$ 113,827	\$ 115,075	\$ 54,918
Taxation and payments-in-lieu, net of adjustments	4,785,599	12,444,608	17,230,207	16,536,721
Remitted during the year	(4,786,847)	(12,421,216)	(17,208,063)	(16,476,564)
<b>Payable (receivable) at the end of the year</b>	<b>\$ -</b>	<b>\$ 137,219</b>	<b>\$ 137,219</b>	<b>\$ 115,075</b>

4. TRUST FUNDS

Trust funds administered by the Township amounting to \$351,883 (2023 \$434,213) have not been included in the Consolidated Statement of Financial Position nor have their operations been included in the Consolidated Statement of Operations. As such balances are held in trust by the Municipality for the benefit of others, they are not presented as part of the Municipality's financial position or operations. Trust funds consist of cemetery care and maintenance, monument care and performance bonds.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

5. RESTRICTED CASH AND DEFERRED REVENUE

Deferred revenue arises when revenues received are conditional upon eligible expenses being incurred and where amounts received in advance have not been fully expended on eligible expenses.

The 2024 continuity of transactions within the obligatory reserve funds and other deferred revenue are described below:

	Balance beginning of year	Contributions received	Interest earned	Amounts taken into revenue	Balance end of year
Cash in Lieu of Parkland	\$ 230,348	\$ 185,200	\$ 18,331	\$ -	\$ 433,879
Development charges	970,837	112,510	55,496	(140,472)	998,371
Canada Community- Building Fund	204,264	109,420	11,785	-	325,469
Building permits	-	156,059	-	-	156,059
Other deferred revenue	373,843	196,623	31,080	(346,720)	254,826
	<b>\$ 1,779,292</b>	<b>\$ 759,812</b>	<b>\$ 116,692</b>	<b>\$ (487,192)</b>	<b>\$ 2,168,604</b>

Obligatory reserve funds supported by:	2024	2023
Restricted cash	<b>\$ 1,757,719</b>	<b>\$ 1,405,449</b>

The interest earned is included as investment income on the consolidated statement of operations. The Development Charges Act, Cash in Lieu of Parkland and Canada Community-Building Funds (formerly Federal Gas Tax funds) used during the year of \$140,472 and \$nil are included in miscellaneous revenues and \$nil of Canada Community-Building Funds (formerly Federal Gas Tax) is included in government transfers - Federal on the consolidated statement of operations.

The above funds held as deferred revenue are restricted in their use by their respective legislation. Funds held under the Development Charges Act are recorded by the following components: Community Services, Fire Protection, Public Works - Building and Fleet, Public Works - Roads and Related and General Government.

6. PORTFOLIO INVESTMENTS

Portfolio investments as of December 31, 2024 consist of the following:

	Fair value hierarchy level	2024	2023
One Investment Program - Canadian Equity Fund	level 1	\$ 6,454,889	\$ 5,353,865
		<b>\$ 6,454,889</b>	<b>\$ 5,353,865</b>

Investments have a market value of \$6,454,889 (2023 - \$5,353,865) and a cost value of \$6,096,420 (2023 - \$5,229,835) at the end of the year. The One Investment Program is held for the purposes of meeting long-term capital obligations.

The fair value measurements are those derived from:

- Level 1: Quoted prices in active markets for identical assets.
- Level 2: Fair value measurements are those derived from inputs other than quoted prices included

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

within Level 1 that are observable for the assets, either directly (ie as prices) or indirectly (ie derived from prices).

- Level 3: Fair value measurements are those derived from valuation methods where inputs are based on non-observable market data.

All equity investments are held at fair value which reflects an overall increase of \$358,465 (2023 - \$124,032) as presented on the Statement of Remeasurement Gains and Losses.

7. LONG-TERM LIABILITIES

(a) The balance of the long-term liabilities reported on the Consolidated Statement of Financial Position is made up of the following:

	2024	2023
Debtenture payable District of Muskoka, repayable in semi-annual instalments of \$40,985 including interest at 5.34% per annum, due July 2026.	\$ 153,556	\$ 224,473
Debtenture payable District of Muskoka, repayable in semi-annual instalments of \$37,321 including interest at 4.83% per annum, due April 2027.	173,797	237,708
Debtenture payable District of Muskoka, repayable in semi-annual instalments of \$40,621 including interest at 5.23% per annum, due December 2027.	222,881	289,822
Debtenture payable District of Muskoka, repayable in semi-annual instalments of \$53,070 including interest at 3.63% per annum, due November 2038.	1,156,945	1,219,384
	<b>\$ 1,707,179</b>	<b>\$ 1,971,387</b>

(b) Future estimated principal and interest payments on the municipal debt are as follows:

	Principal	Interest
2025	\$ 277,009	\$ 66,986
2026	290,443	53,552
2027	184,156	40,548
2028	72,102	34,039
2029	74,743	31,398
2030 onwards	808,726	146,539
	<b>\$ 1,707,179</b>	<b>\$ 373,062</b>

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

(c) Total charges for the year for municipal debt which are reported in the financial statements are as follows:

	2024	2023
Principal payments	\$ 264,208	\$ 252,011
Interest	76,878	89,218
	<b>\$ 341,086</b>	<b>\$ 341,229</b>

These debentures relate to financing portions of the Administration facility, Public Works/Fire Hall facility, Port Severn bridge sidewalk and MacTier storm sewer project.

The annual principal and interest payments required to service the Municipality's debt were within the annual debt repayment limit prescribed by the Ministry of Municipal Affairs and Housing.

8. CREDIT FACILITY AGREEMENT

The Municipality has an operating facility agreement with TD Canada Trust. The amount available under the facility is \$4,000,000 to finance general operating requirements. The interest rate on this facility is TD Bank prime less 0.75%. At December 31, 2024, the Municipality had drawn \$nil (2023 - \$nil) on the credit capacity under this facility.

9. INVENTORIES HELD FOR CONSUMPTION

	2024	2023
Recycled asphalt product	\$ 80,525	\$ 84,076
Sand and salt	117,539	147,895
Other	24,983	37,925
	<b>\$ 223,047</b>	<b>\$ 269,896</b>

10. CONTINGENT LIABILITIES

In the normal course of business, the municipality is named to lawsuits related to its operations. Management is of the view that these lawsuits are without merit and any settlement would not be material to the financial position of the municipality. Settlements in excess of insurance, if any, will be reflected in the period in which settlement occurs.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
 Year Ended December 31, 2024

11. TANGIBLE CAPITAL ASSETS

Schedule 1 provides information on the tangible capital assets of the Municipality by major asset class. Additional information relating to these assets is provided below.

(a) Contributed tangible capital assets

The Municipality records all tangible capital assets contributed by external parties at the fair market value. During the year \$1,875,000 (2023 \$NIL) such contributions were recorded. The 2024 contributions consisted of transportation infrastructure.

(b) Works of art and historical artifacts

Works of art and historical artifacts owned by the Municipality are not included in the tangible capital assets reported on the Consolidated Statement of Financial Position because a reasonable estimate of the future benefits associated with such property cannot be made. The Municipality holds an historical treasure pertaining to the David Milne Cottage.

12. MISCELLANEOUS REVENUES

	2024	2023
Donations	\$ 36,682	\$ 183,668
Gain (loss) on sale of tangible capital assets	132,703	14,262
Penalties and interest on taxation	214,992	199,038
Contributed tangible capital assets	1,875,000	-
Sale of miscellaneous items and other	690,000	-
Funds used during the year (Note 5)	140,472	209,569
	<b>\$ 3,089,849</b>	<b>\$ 606,537</b>

## THE CORPORATION OF THE TOWNSHIP OF GEORGIAN BAY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
Year Ended December 31, 2024

---

### 13. SEGMENT DISCLOSURES AND EXPENDITURES BY OBJECT

The Municipality and its Boards and Committees provide a wide range of services to its citizens. The schedule and segment disclosure provides a breakdown of the annual surplus (deficit) reported on the Consolidated Statement of Operations by major reporting segment. The segments correspond to the major functional categories used in the Municipality's Financial Information Return, which include the following activities:

#### General Government and Administration

This area accounts for the revenues and expenses that relate to the operations of Council, CAO, Clerk, Treasury, Human Resources, Health and Safety, Information Technology and other areas that cannot be directly attributed to any specific segment.

#### Fire services, Emergency Management and By-law Services

This segment encompasses the fire department which is responsible for providing fire suppression services, fire prevention programs, training and education to the public. The fire department consists of two full time staff members as well as a complement of up to 60 volunteer fire fighters. Additionally, this segment also provides emergency management and preparedness for the Municipality. In addition, they enforce a number of Municipal by-laws and Provincial Statutes including property standards, noise control and parking enforcement.

#### Operations - Roads, Streetlights and Environmental Services

This segment area is responsible for providing the Municipality's transportation infrastructure including roads, sidewalks and streetlights. Additionally, some waste management and lagoon services are provided on behalf of the District Municipality of Muskoka.

#### Building and Septic Inspection Services

This department is responsible for reviewing, issuing and inspecting building and septic permits in accordance with the Ontario Building Code. In addition, they have a septic re-inspection program that is in effect and completed annually.

#### Operations - Parks, Recreation and Culture

This service area provides services meant to improve the health and development of the Municipality's citizens. Recreational facilities include two community centres. Also, the Municipality provides library services, cemetery services, trails, beach access and parks to assist with its citizens' needs.

#### Planning and Economic Development

This department provides community planning services in accordance with the Ontario Planning Act and all other applicable legislation. Additionally, it provides economic opportunity and development, and works to provide health communities within the Municipality.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies. In measuring and reporting segment revenue from transactions with other segments, inter-segment transfers are measured on the basis of budgeted amounts. Amounts that are directly attributable to a number of segments have been allocated on a reasonable basis as follows:

Taxation	allocated to segments based on total expenses for the year

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
 Year Ended December 31, 2024

14. BUDGET FIGURES

The unaudited budget adopted for the current year was prepared on a fund basis, and has been amended to conform with the accounting and reporting standards adopted for the current year actual results. The budget was adopted by Council on February 12, 2024. Council has reviewed and approved the 2024 Report on Excluded Expenses as required by Ontario Regulation 284/09 which expressly permits municipalities to exclude amortization expense from the budget. In addition, the budget expensed all tangible capital expenses rather than including amortization expense. As a result, the budget figures presented in the consolidated statements of operations and change in net financial assets represent the Financial Plan adopted by Council on February 12, 2024 with adjustments as follows:

	Municipal Budget 2024
<b>CONSOLIDATED ANNUAL SURPLUS (DEFICIT)</b>	512,452
Transfer (to) from municipal reserves	(2,071,841)
Transfer to unfunded liabilities	(264,208)
Municipal amortization	1,823,597
<b>MUNICIPAL SURPLUS (DEFICIT)</b>	<b>\$ -</b>

Under Canadian public sector accounting standards, budget amounts are to be reported on the consolidated statement of operations for comparative purposes. The 2024 budget amounts for The Corporation of the Township of Georgian Bay approved by Council have been restated to confirm to the basis of preparation of the revenues and expenses, including amortization on the consolidated statement of operations.

15. PENSION AGREEMENTS

The Municipality makes contributions to the Ontario Municipal Employee Retirement Fund (OMERS), which is a multi-employer plan, on behalf of certain members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2024. The results of this valuation disclosed total actuarial liabilities of \$140,766 million with respect to benefits accrued for service with actuarial assets at that date of \$137,853 million indicating an actuarial deficit of \$2,913 million. Because OMERS is a multi employer plan, any Plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the Plan surplus or deficit.

The amount contributed to OMERS for 2024 was \$416,308 (2023 \$336,255) for current service and is included as an expense on the Consolidated Statement of Operations.

16. COMPARATIVE FIGURES

Certain 2023 amounts in these financial statements have been reclassified to conform with their presentation in 2024.
